

# FLEETWOOD BAWDEN

## December 2020 Newsletter

### A Message from the Office:

The holiday season is upon us! This season always presents itself with opportunities for us to express gratitude and thankfulness for what we have.

Our Fleetwood students and their families are always in our minds and our hearts. This year has been an interesting one, full of Covid ups and downs, but we certainly appreciate the grace that our community has shown in adapting to these changes.

We love and appreciate you for your hard work with your children and wish you and your loved ones all the best in the new year.

Mr. DeJong and Mrs. Fletcher
