Happy Holidays

A Message from the Office:

December brought with it beautiful weather, hard working students and staff, and of course a little bit of fun. We cannot say enough about the effort and care our students have put into their learning, and that our staff put into their student's learning. It has been absolutely amazing.

While Covid presents its challenges, we were still able to celebrate together through an on-line assembly, a hot turkey lunch, and classroom cookie decorating. We are excited for the new year and the adventures that it will bring. Stay safe and healthy this holiday season. See you soon!

We are so very thankful to The Lion's Club for sponsoring our water bottle project. Because of their help, every single student in our school has their very own water bottle to keep at school. These bottles can be easily filled at our hydration station and are individually labelled.
