March 2021 Newsletter

A Message from the Office:

February was a very busy but very rewarding month. Our students created Valentine cards and shared these with our community. Packages of cards (following Co-vid protocols) were delivered to Martha's House, Edith Cavell, Chinook Hospital, and Lethbridge Police Services. The residents and workers at these locations extended their appreciation to our students and staff as these cards most definitely brightened their day. Fleetwood is an amazing school in a wonderful community. We are so proud to be part of this family.

Co-Vid Questionnaire

Please remember to check the Co-vid Questionnaire if your child is not feeling well. There are often AHS changes to this questionnaire in regards to steps to take if your child has any Co-vid symptoms. This is posted on our school and division website and updated regularly.

Outside Recess and Proper Clothing

Please ensure your child is prepared for winter weather, even if the sun is shining outside. The weather in Lethbridge can change quickly and our students will go outside if temperatures allow. A warm jacket, toque, mitts, and winter boots are a great idea during these uncertain winter/spring days.

LATE ARRIVALS

Recently, we have seen an increase in students arriving late for school.

The beginning of the school day is very important as it begins the day's routine and often consists of important literacy and numeracy skills.

We understand that home circumstances can make it challenging to arrive at school on time but it truly is a critical part of your child's school day.

We appreciate your efforts in this regard.

PANAGO PIZZA NIGHT FUNDRAISER

School Council is excited to announce a Panago Pizza Night Fundraiser (North Panago location) on March 16th and 17th. Any families who order Pizza from North Panago on these nights will contribute to 15% of the net profits from pizza sales coming directly to Fleetwood!

Interested families with last names starting from A-M are asked to order on Tuesday, March 16th.

Interested families with last names starting from N-Z are asked to order on Wednesday, March 17th.

There is no special code required.

In lieu of field trips this year, school council funds have been spent on crafts and games to enrich the classrooms. Students have loved the Play-Doh, construction paper, Crayola items, Uno, Charades, and Jenga Games. Thank you for your support!
