June 2021 Newsletter

A Message from the Office:

We absolutely *cannot* believe that we have reached June already. This year has included every emotion under the sun with the ups and downs that Covid brought along with it. But with the help of our families, our students, our staff – we made it through the school year and had lots of fun while we were at it!

Even though we are nearing the end of the school year, we still have lots of work to do, events to celebrate, and memories to make. Check out the calendar attached for more details.
