September 2021 Newsletter

A Message from the Office:

A warm welcome to the 2021-2022 school year! It has been so wonderful having students fill the school once again. The excitement and energy that the new school year brings is always restorative and joyful.

We would like to thank our families for the smooth start we experienced to kick the year off. The staggered entry start has been so effective in giving our students a calm and organized beginning to their year. We look forward to connecting with all of you in the months to come, to celebrate your children and the growth and success they will experience.

Mrs. Fletcher and Mr. Mathur

Thank you for following the rules of the road when parking around the school. We know it gets very busy. Please remember to stay clear of crosswalks, follow the direction arrows in the parking lot, and avoid parking in the bus zone along 9th Avenue.

Your help with this is greatly appreciated.

Please remember to check your email, our school website, and/or our school Facebook page regularly for updates and school information.

National Day for Truth and Reconciliation September 30th

The Government of Canada recently passed legislation to make Sept. 30 a federal statutory holiday called the National Day for Truth and Reconciliation.

This day provides an opportunity to recognize and commemorate the history of residential schools, and with that in mind, Sept. 30 will be a non-operational day for Lethbridge School Division. There will be no classes and schools will be closed on that day as our division, like many others throughout Alberta, seeks to engage in the process of truth and reconciliation.

Lethbridge School Division schools will also recognize Truth and Reconciliation Week from Sept. 27-Oct. 1, 2021. This week will honour Every Child Matters and Orange Shirt Day, as schools will select at least one school day within this week to recognize Orange Shirt Day, as students learn about the history of residential schools.
