A Message from the Office:

If we could write our THANK YOU across the sky, we would. Our families have amazed us once again and we want you to know how much we appreciate you and your support. Because of you...

- We raised \$700 on our Panago Pizza Fundraiser

COLD WEATHER PROCEDURES

When cold weather strikes, we still feel it is very important for our students to get outside for some fresh air, sunshine, and movement every day. Our students will continue to go outside for recess throughout the winter, unless the weather (including wind chill) makes this unsafe (below -20C).

Please ensure your child comes to school prepared for outside play each and every day. Weather can change quickly and drastically in southern Alberta so having a toque, mittens, winter boots, a winter jacket, and snow pants is very important. We also encourage our youngest students to practice getting these items on and off independently as they greatly outnumber the staff that is here to help them.

It is also very helpful to drop your children off as close to the 8:20 bell time as possible so they are not waiting outside for too long. THANK YOU!

F.Y.I.'S

COVID UPDATE

Thank you for your continued help with ensuring our students are not attending when they are not feeling well. This is very much appreciated in helping to keep our community safe and healthy. Thank you, also, for picking up your unwell child when we call you during the day. Your understanding means a lot.

LATE ARRIVALS

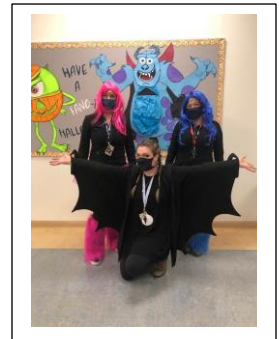

If your child arrives late to school, please have them come to the front/office door. Press the doorbell next to the door to communicate with office staff. Students then check in at the Learning Commons to receive a late slip.

Thank you!

REPORT CARDS

Report cards can be accessed **on-line** on November 26th. If you have not signed up on Powerschool, a paper copy of the required instructions to sign up was sent home with your child last week. Thank you!

It was a Disney-Themed Halloween for Fleetwood Staff! Check it out!
