## January 2022 Newsletter

### A Message from the Office:

2022 has certainly begun in a hurray and brought with it an unexpected extended winter break. We are very excited to have students returning to class on Monday, January 10<sup>th</sup> and hope that we can continue in-class learning in a healthy and safe manner.

January always allows us a time to reflect on the past year and look forward to what the new year will bring. We feel so very fortunate to be part of an amazing school community that supports one another, cares deeply about our students, and wishes nothing but the best for them. Thank you for sharing your children with us each and every day.

Mrs. Fletcher and Mr. Mathur

### COVID INFORMATION UPDATE

Please keep a close eye on the school division website for up-to-date information regarding Covid protocols. As the Alberta government releases information pertaining to education, our division will provide necessary updates on the website. Thank you!

### ENTERING YOUR CHILD'S ABSENCE

Using the Safe Arrival app is the easiest and most efficient way to report your child's absence. Through this app, absences can be reported in advance, at any time, and can be entered for consecutive days at a time. During Covid times, it is very important that your child's absences are entered under "Illness" rather than "Parent-Approved Absence" when they are indeed feeling unwell. This allows us to have a clearer picture of what our absentee rate is due to illness. Your help with entering these absences using the Safe Arrival app and the Illness absence code is much appreciated!

Thank you for your help with this!

## BRRR...IT'S COLD!

Winter has definitely arrived and, along with it, the cold weather we often experience at this time. If you need any assistance in ensuring your child has what they need for winter wear to keep them safe and warm, please let us know. We are here to help!

Please ensure your child has the following at school each and every day. Southern Alberta often changes from morning to afternoon. It is very important that our students are prepared for sun or snow!

- winter coat
- snow pants
- mittens or gloves
- winter boots
- toque, earmuffs, or scarf
