## March 2022 Newsletter

### A Message from the Office:

Wow – February flew by in a hurry! Our teachers spent two days attending Teacher's Convention this month and took part in many great learning opportunities and keynote speaker sessions. We can't wait to bring what we have learned into the school and our classrooms.

Looking ahead into March, we are looking forward to connecting with our families during our virtual parent-teacher interviews, and enjoying another universal Pancake Breakfast for our students near the end of the month. Great things are happening at Fleetwood!

### Covid Test Kits Available

Our second set of test kits and masks arrived prior to the February break. Teachers have messaged out to their families to see who is interested in receiving a box of tests or additional masks. If you are needing either of these items, please let your child's teacher know.

**A gentle reminder to please avoid parking in our staff parking lot. Some of our staff are finding vehicles in their assigned spot throughout the day. Even during morning Blast drop off, please park along the roadway, rather than in spots. Thank you! This is very helpful and much appreciated.**

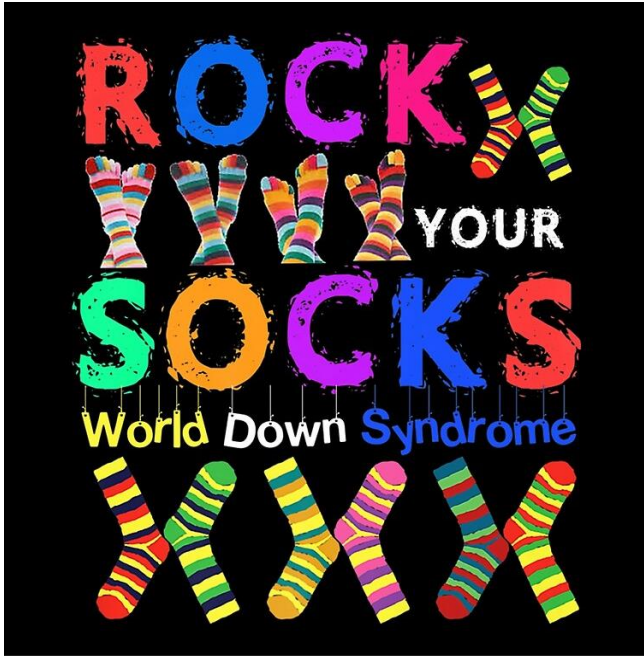

### 2022-2023 School Registration

Registration for the 2022-2023 school year is here! As a parent of a continuing student, an email has been sent to you in regard to next year's registration. Please watch your Junk Folder as this email may end up there!

If you live outside of our school boundary, please complete the additional Boundary Request Form. This form is NOT needed for Montessori students.

Thank you for your patience and understanding as we begin the registration process! We look forward to having your children attend Fleetwood again next school year!

## A GREAT BIG HUGE THANK YOU!

THANK YOU to the Cheechoo family for their continuous support and contribution to our school community. We thank you for the Every Child Matters flag and your Blackfoot Kindness Video

THANK YOU to the Schraufnagle family for contributing ribbons for our community to recognize and bring awareness to Rare Disease Day.

THANK YOU to all of the families that contributed kind words as part of our school division's "Words of Gratitude" initiative. Your thoughtfulness means so much to us!
