

April "Frog Month" Matsiyikkapisaiki'somm (mat si yeek ga bee sai gi soum)

Annette Bruised Head offered her insights about why April is called 'Frog Month'. She said, "it is the time when we hear the frogs. When the winter storms have passed and the moisture returns to the wetlands and they begin to turn green with new grasses. That is when frogs come to lay their eggs and bring life to all those creatures that depend on these areas" (2021)

Moose Hide Campaign Day

HELP END VIOLENCE AGAINST WOMEN AND CHILDREN

On **May 12, 2022** join Indigenous and non-Indigenous Canadians from across Canada to support reconciliation and help end violence against all women and children.

Moose Hide Campaign Day is a day for connecting, learning and sharing, where you can hear from inspiring speakers, share experiences and join workshops. It's a day of ceremony where we invite you to fast with us from sunrise to sunset in our **#FastToEndViolence**. Tune into the livestream or join us for our in-person Walk to End Violence in Victoria, BC.

Supporters are encouraged to wear and share the moose hide pins on the day (and every day!) and organize events with their organizations, schools or communities. Fasters will be supported on their fasting journey throughout the day. Events are free for anyone to attend.
