

# ♥ Welcome to Kindergarten

Hello!

A warm welcome to all our new kindergarten families. My name is Mrs. Wenaas and I am excited that your family will be joining our kindergarten community for the 2024-2025 school year. Kindergarten is a time for children to expand their love of learning, their general knowledge, their ability to get along with others and their interest in our community. This will be an exciting year filled with new friends, adventures and learning opportunities.

I am looking forward to spending the upcoming year supporting your child as they grow and mature socially, emotionally, and academically, discovering new things about themselves, their friends and their world.

I will send an invite to your family to join Class DOJO, an app that helps facilitate fast and easy communication between teachers and families (works like text messaging). Please do not hesitate to contact me throughout the school year. I want to partner with you in supporting your child in having a wonderful year on this first step of their educational journey so we can instill a lifelong love of learning in them.

Have a great summer and see you in September.

Mrs. Wenaas
