

Fleetwood-Bawden ELEMENTARY SCHOOL

January Newsletter

A MESSAGE FROM THE OFFICE:

Dear Parents and Guardians,

I hope you all had a wonderful winter break and enjoyed some quality time with your families. As we welcome our students back to school, I want to assure you our dedicated staff are prepared and excited for their return.

We are committed to finishing the school year with kindness, positivity, and unwavering support for one another. Our priority remains the growth and learning of our students. We believe that by working together, both at home and at school, we can achieve great things.

During these polarizing times it's more important than ever to foster a sense of unity and collaboration. Together, we will work together to nurture and support our learners. We will continue to create nurturing environments where every child thrives.

Wishing all our students a happy return and looking forward to a fantastic remainder of the school year.

Warm regards,
Kathy Mundell
Principal

January 31 NO SCHOOL for students-School-Based PL Day

An email regarding Grade 5 basketball dates and times will be coming soon.

school fee payment

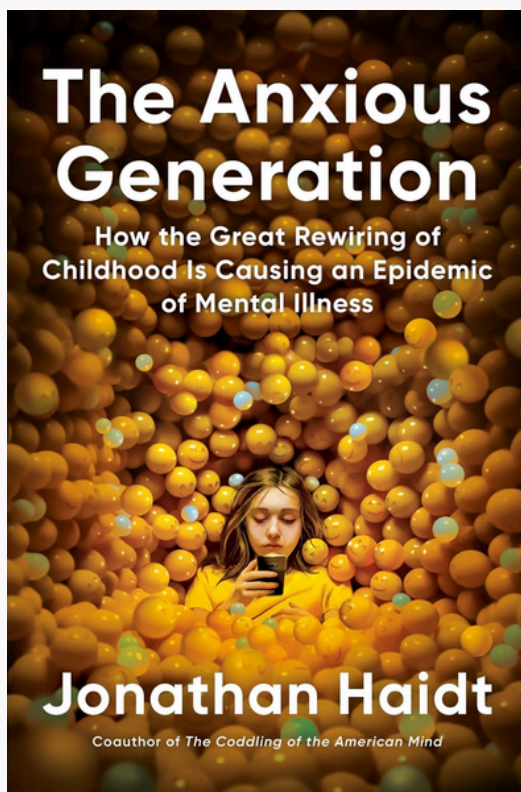

A reminder to pay your school fees via Cash Online. If school fees have not been paid, please communicate with our office for support with alternate arrangements or adjustments. Planning year-end field trips for our students will be postponed until we have an accurate understanding of our budget (which is dependent on school fee collection).

Please call Shaina @ 403-327-5818 or email fleetwood@lethsd.ab.ca
for additional support with school fees.

Prior to the winter break our office fielded a number of phone calls regarding concerns about dogs on our playground and near our entrances. This is just a reminder to follow all City of Lethbridge signage pertaining to dogs. We kindly request that dogs and owners stand away from children allowing a safe distance between your dog and those children who are fearful or unaware of how to approach our four-legged friends. Thank you for your support with this.

An interesting and informative book to read...

A special thank you to Mrs. Elridge for organizing our Hot Lunches on behalf of our School Council.

City of Lethbridge Proposed Traffic Changes to the Fleetwood Bawden Area

(<https://getinvolvedlethbridge.ca/fleetwood-bawden-traffic-changes>)

The City of Lethbridge is proposing changes to traffic management in the area surrounding Fleetwood Bawden Elementary School to improve safety and reduce congestion.

Why?

Following public complaints, the City conducted a traffic review of the area. This review determined the current width of both 11 Street and 12 Street South is 8 meters wide, while the current standards for two-way traffic require an 11-meter width for roads with similar amounts of traffic.

What are the proposed changes?

The proposed changes will see 11 and 12 Street South between 9 and 10 Avenue South converted into single lane, one-way streets.

- 11 Street South to change to one-way traffic going southbound
- 12 Street South to change to one-way traffic going northbound

Please use this [link](#) for more information regarding the changes.

Please use this [link](#) to provide your feedback about these proposed changes.
