October Newsletter

A MESSAGE FROM THE OFFICE:

Our school start-up has been wonderful! Thank you to our students, staff and families for your enthusiasm for learning. There will always be challenges to overcome, mistakes made, and differing perspectives to navigate- and I appreciate our shared values of empathy, understanding, connection and kindness to help us all grow. Thank you for working together to embrace learning.

Sincerely, Kathy Mundell (Principal) ♥

MORNING Routine

8:22

Enter School

8:30

Doors locked

All learners arriving after 8:30 must use front doors and check in at our office.

Arriving on time is valued.

When students are late they miss out on important instructional time.

When students are late they miss out on natural social interactions to start the day in a positive way.

Interesting facts: Being 10 minutes late for class every day means the student will miss 6 days of instruction over the year. Chronic lateness and absenteeism are linked to higher dropout rates. Consistently being late can establish bad punctuality habits that may carry over into adulthood.

For the **SAFETY** of our students and families, just a reminder to adhere to ALL traffic signs. Thank you.

School Supplies

Thank you to families who have paid for their child's school supplies.

We purchased school supplies for you to make it more convenient and to be cost effective.

We ask that you kindly make a payment at your earliest convenience. ❤️
